

IMPORTANT INFORMATION OCTOBER 2020

OCTOBER 2020 PROGRAM

At this stage our competition is scheduled to run from October 1 through to October 11, 2020. We have allocated this timeframe to ensure we can run a safe competition, adhering to all Government safety regulations that are currently in place.

We are hoping however that by October, more restrictions will be lifted and we will be able to run more entries per day, reducing the need for such a long competition. In the event of more relaxed restrictions, our end date of October 11 will remain, and we will work back from this date.

Closer to the time, a copy of the October DRAFT PROGRAM will be available to be downloaded directly from our website www.eliteeisteddfod.com.au. We will let you know when this becomes available.

DANCEPRO APP

Please remember to download the DANCEPRO App to your device prior to the Eisteddfod. The App can be downloaded for FREE and is available for iPhone or Android devices.

At the end of your section, you will be able to make your way to the DANCEPRO desk and instantly receive your voice critique, and order any videos/images from your performance.

OPEN AND NOVICE SECTIONS

Each competition has different rules when it comes to Novice and Open sections. Our rules are:

NOVICE - Refers to ANY dancer who is yet to dance in an open section, and/OR is yet to win first place in a section.

OPEN - Refers to ANY dancer who has placed first and/OR has already danced in an open section.

If you are unsure of which section you should be in, please contact the team via our contacts page on our website. Please NO direct messages via Facebook or Instagram.

NEED TO MAKE CHANGES?

We know that some dancers may compete in other competitions prior to our October event and may need to adjust the sections for which they have entered (for example, from a novice to an open section).

For any CHANGES - whether this be to spelling of names, moving from novice to open or vice versa, or to notify of any other changes - please use the contacts page on our website and follow the tabs. Please fill out as much information as possible.

Alternatively if you are still unsure, please email eliteeisteddfod@outlook.com with the subject OCTOBER CHANGES and we will respond to these promptly.
